

THIS HEALTH CLUB HAS TAKEN THE ACTIVE & SAFE COMMITMENT

As a leader in our community, to mitigate COVID-19 this health club adheres to industry best practices and applicable public health orders. We will post appropriate signage reminding employees, members, and guests of guidelines and use reasonable efforts to enforce the rules. We recognize that some specific aspects may change as new research and science emerges and pledge to adapt accordingly.

PHYSICAL DISTANCING & MITIGATION MEASURES

Facilitating and supporting appropriate physical distancing
Occupancy management systems/policies
Plans in place to reduce cross contamination
